47, Knowledge Park – III, Greater Noida

LMS/Academic Management System

The institution is currently using 'I cloud' as Academic Management system

- Attendance of all BDS and MDS batches is updated on I cloud
- Schedule of Academic activities as well as internal assessment exams is updated on the software
- Marks of assessment exams also need to be updated on the software on regular basis
- All the circulars/ notice regarding academic activities from Principal's office are updated on I cloud.
- All the seminars and journal club presentations are updated on the I cloud regularly.
