### Types of Treatment

EXTRACTION	SCALING	FILLING				Total
	<u>7</u>					<u>7</u>

### Remarks

By Camp In charge: It was well organized school camp (210 school kids) 15 outside patients. Oral health education was given and patients who got parent consent were treated. Publicity outside school was not good. Camp ran AC (water leaking). School authorities were as to leave at 1:30. So camp packed up early.

*why so less patients?*

#### Types of Treatment

EXTRACTION	SCALING	FILLING				

#### Remarks

by Camp In charge: Education camp was not well organised, no banners were placed in position, timings of the camp were not well informed to society. Patients response was also too less as society was of army officials and they preferred BCNC clinic which is now opened in our college.
